# SUCCESS STORIES

Before joining the DSA course I wasn't confident on any of the topics. I can see the change in my coding abilities after the completion of the course! I even got referrals to product-based companies.

**Akanksha Achanti**

Excellent training and awesome environment! I took data structures and algorithm training in LearnBay. They teach concepts clearly and solved as many programs as possible. I was getting interview calls even before course completion.

**Rahul Anand**

This Course Helped me in getting 6 month SDE INTERNSHIP at AMAZON,India.

The advance DSA topics are taught and explained in such a simplified manner that even a newbie can catch up very easily.

**Kamlesh Sahu**

I have done the DS & Algo course from Learnbay. I learned from the basics time complexity, arrays, linked list, stack to advance data structures – trees, graphs etc. Getting into product based MNC was always my dream and this course helped me achieve it.

**Ashutosh Chamoli**

Before joining the DSA course I wasn't confident on any of the topics. I can see the change in my coding abilities after the completion of the course! I even got interview calls from several product based companies.

**Vishrut Vats**

I attended ds algo course under Learnbay. They discussed multiple approaches to solve any problem starting from brute force to one with less complexity. Assignments, mock interviews and job referrals really helped me in my career.

**Manav Jain**

I took DS course under Learnbay. Irrespective of implementation languages, one can join this. Their excellent training methodology helps to learn quickly. Their mock interviews with referrals to product based companies gave a good boost to my career

**Manish Jha**

Learnbay gives you a major platform to enhance your skills and learn the concepts in depth. The best thing about them is that the classes are flexible and they provide recorded videos of the lectures being taught that help you to brush up the concepts.

**Harsh Jaiswal**

# SUCCESS STORIES

Learnbay is the best place to add latest skill sets to your profile. Their data structure and algorithm course is class apart, they provide very detailed core concepts and sample of practice over various platforms such as hacker rank.

**Anant Raj Singh**

Have taken DS course at this institute. Irrespective of implementation languages, one can join this. Cleared many tough concepts in an easy way. I was trying to switch to product based MNC and this course just made it possible.

**Neha Gour**

I enrolled for Data Structures and Algorithms course at Learnbay. Prateek Sir's teaching methodology has been really engaging. He entertains all the approaches in the class which helped us to see the problems from multiple angles.

**Nikhil Goyal**

Great experience in data structure training. The trainer has great understanding in all concepts to clear our doubts which gave the confidence to challenge any DS interview. And I was well prepared for the interview calls I got near the end of this course

**Sagarika Jena**

Good Experience, I did training in data structure and algorithms. Trainers are well knowledgeable and the questions they taught are the same which touches the interview pattern. They even help you get interview calls from product based MNCs.

**Jatin Kumar Khilrani**

This is a unique place to get trained by experts even if you are already a software professional. Live online classroom sessions enable us to attend the sessions from anywhere in the world but live so we can talk to the trainer during the middle of a session.
